Submitted

The large amount that is stated to be with the Supt. Govt. Gardens is received by them, it is stated without specific sanction of Govt., from Private fruit growers for fruit plants from Australia to be supplied to them.

2- Permission to open an account in the Bank may be granted under Art. 35 (a) of M.C.H.C.

10.6.27.

3. (1.) Permission of Govt is required to undertake this business for private persons. This is perhaps best done thro' the Horticultural Society

(2) If it is to be done thro the Gardens dept then the Personal Deposit a/c arrangement suggested by the Comptr is the best. Remittances to Australia may be arranged thro Courts & the debit raised against the suppliers' deposit a/c on requisitions from the Supdt Govt Gardens

Subject:- Procedure to be adopted in regard to the Custody of the sums received as advance - from private people for the supply of Australian fruit plants.

GEN. & REV. 8399 8 JUNE 1927 DEVELOPMENT BRANCH.

Dear Sir,

I write to inform you that a sum, nearly Rs. 3000/, has been received from private fruit growers for fruit -- plants ordered from Australia. Not having sufficient safety in this office to keep so large a sum, I requested the Comptroller whether the amount may be kept in the -- Mysore Bank under current account with a view to facilitate drawing the amounts whenever required and sending it to the clearing Agents whenever necessary, as the keeping of the same in the State Huzur Treasury invloves delay in drawing the amount. From the enclosed copy of reply --

NOTE—Contn. Sheet

reply received from the Comptroller, it may be seen -- that sanction of Government is necessary for ~~opening~~ opening a personal deposit account at State Huzur -- Treasury. Even if this procedure is followed, our -- difficulty will not be overcome, because we have to cash the cheque at the Treasury and again send the amount to the Bank for issuing drafts on the foreign Banks which would involve delay in payment. I am therefore, of opinion that, by keeping the amount in the Mysore Bank we can arrange direct payment to the parties and I re- ~~gret~~ quest you to be so good as to obtain approval of Government for keeping such moneys in the Mysore Bank instead of in State Huzur Treasury as suggested by the -- Comptroller.

Thanking you for an early reply,

Yours sincerely,

H. C. Jawaraja.

S i r ,

With reference to your letter No. 2170 dated 27th April 1927 regarding the proceedure to be followed in regard to the sums received from private people on account of fruit plants to be got from --- Australia, I have the honour to state that under art. 1 M.A.C. VolI all money received by a Government Officer in his official capacity should be remitted to the treasury and should not be appropriated for expenditure. As it is also both objectionable and unsafe to keep such large amount, on hand, such amounts have to be remitted to the State Huzur Treasury for credit under a personal deposit account, the amounts required for expenditure bing drawn from the the Treasury by means of cheques.

The opening of a current account with the Mysore Bank is not necessary.

As it is stated that there is no specific order of Government for the existing proceedure of recurring money from private -- parties for supply of fruit plants from Australia, I would suggest that sanctionof Government may be obtained for opening a personal - deposit account at the State Huzur Treasury for the purpose.

I have the honour to be,
Sir,
Your most obedient servant,

Sd/- A. N. Raghavachar,

Deputy Comptroller.
